JEWISH FAMILY SERVICES OF WASHTENAW COUNTY

Note of Gratitude

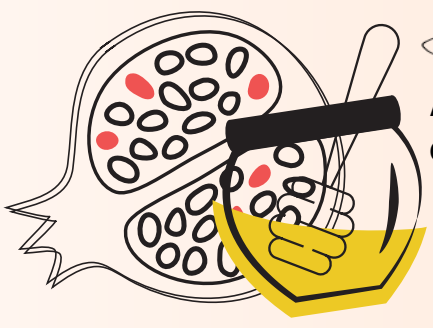

As we begin 5782 on the Jewish calendar, we hope you and your families are in good health and feeling safe. We at Jewish Family Services of Washtenaw County (JFS) want you to know that you continue to be in our thoughts and hearts every day. In this tumultuous climate and time, it is important to believe in the power of compassion and community as we strive to repair our world, a tradition which is at the core of the JFS mission!

We are grateful to be a part of our amazing community and proud of the tremendous generosity of your time, energy, spirit, and resources. Rooted in our Jewish values of loving kindness and welcoming the stranger, JFS is in a unique position to assist those who are most vulnerable to shifts in society, including refugees, children, older adults, and those in other various forms of distress.

This work is never easy, and now more than ever, it's all hands on deck. The level of responsibility that lies ahead for us and the sheer volume of work can at times seem insurmountable. But with you walking alongside of us, as donors, volunteers, and partners, we can rise to the challenge. Please keep walking with us. Join us as we welcome Afghan refugees as well as refugees from around the world; support vulnerable older adults and their caregivers; deliver prepared meals and groceries to Holocaust survivors, isolated seniors, disabled adults, and newly arrived refugees; and help those in our community facing emotional, financial, and other crises in our community.

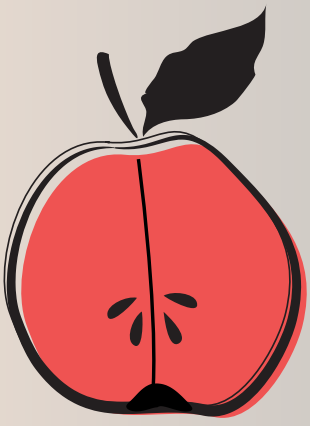

The new year ahead provides an opportunity for each of us to reflect on the past year and look ahead to finding new ways to create solutions, promote dignity, and inspire humanity. Thank you for upholding our mission and our values, and helping us create a lasting impact in our community.
