JFS SPONSORSHIP OPPORTUNITIES 2024

Dear Community Partners and Friends,

We are writing to you on behalf of Jewish Family Services (JFS) of Washtenaw County, a non-profit organization committed to providing essential programs and services to individuals and families in need. We are excited to share information about our upcoming events and opportunities to support the important work we do in the community.

JFS is hosting three impactful events over the next year, each designed to raise funds and awareness for our various programs and activities that positively impact the community. Your support as a sponsor would play a crucial role in ensuring the success of these events and, in turn, contribute to the well-being of those we serve.

JFS offers a wide range of programs, including refugee resettlement, mental health support, employment and economic development, nutrition services and food pantry, and so much more. Your support will directly impact our ability to provide essential services to those who rely on us.

Additionally, you will have the opportunity to connect with our diverse and engaged audience, showcasing your commitment to community well-being.

Thank you for considering this opportunity to partner with JFS of Washtenaw County. Your support will help us continue our mission of making a positive and lasting impact on the lives of those we serve.
